

PSTAT 10: Worksheet 12

Instructions

- For today's section, you will not be provided with a `.Rmd` file. Instead, your TA will show you how to create your own `.Rmd` file from scratch.
- You will be working with the following links to complete today's worksheet.

Links

Your TA will go over what you need to do with the links below.

1. <https://fivethirtyeight.com/videos/the-ultimate-halloween-candy-power-ranking/>
This is the article corresponding to the data.
 2. <https://www.kaggle.com/datasets/fivethirtyeight/fivethirtyeight-candy-power-ranking-dataset> **This is the kaggle site containing the data codebook.**
 3. <https://raw.githubusercontent.com/fivethirtyeight/data/master/candy-power-ranking/candy-data.csv> **This is the data.**
