L01 Announcement: Regarding Homework 01

- Make sure to look at the **.html** output of your Knit command :
 - Make sure the text **Solution x:** appears at the top of each of your solutions
 - Include narrative in your own words.
 - You should always print out the code chunk and it's output showing clearly the answer and its value.
 - Reflect on your work in the worksheet and include learning gains in the last exercise.
 - Use office hours and HW clinics for help each day - If you don't use them they will go away!
