L15 Announcement

1. Quiz 4 in Week 10
2. One more attempt on all quizzes in Week 10.
3. Use extra time and extra chance to review Modules and come to office hours with questions. It'll help you on the final
4. See announcement for all details.
5. Next week **Wednesday March 5, for lecture**, I will provide instructions for you to download and install Rstudio on your local machine. Get help from ULA Lucas or HeadTA Cosmin for getting your local installation of RStudio set up correctly.
   - ULA Lucas Webster will have office hours in class to answer any questions you have.
   - ULA Lucas Webster will also have office hours before class in 1920 BUCH from 12:30pm - 1:45pm that you can avail of as well.
   - HeadTA Cosmin will also be available in class to answer any questions you have.
